Q 1 . Does your town/city already have a Sister City in Japan? (Yes/No, if Yes, please write the name of the city/town)

(そちらの自治体はオーストラリア/ニュージーランドの自治体と姉妹都市提携をしていますか?(はいいいえ、はいの場合は自治体名もご記載ください))

No.

Q 2 . Reason(s) for wanting a Sister School (姉妹校を結びたい理由は何ですか?)

Several students from our school study abroad every year, and many others hope to engage in language exchange and cultural understanding. However, since our school is located in a rural area of Japan, we have few visitors and limited opportunities for cultural exchange.

While our students do go abroad, we are always welcoming international students as well. We hope to build partnerships that allow us to share traditional experiences and deepen both intercultural understanding and language exchange.

Q 3 . What is your preferred city/town (if any) in Japan to connect with? (特に指定したいオーストラリアの自治体はありますか?)
