No

Q 2 . Reason(s) for wanting a Sister School (姉妹校を結びたい理由は何ですか？)

We are looking for a Japanese school to visit as part of our bi-annual Japan trip. Next one will be in 2028. We are hoping ot have class visits, buddy matching, dodgeball, calligraphy, assembly entertainment etc. After spending 2 days at your school, your buddies and our participants can visit the local amusement park togehter, which is always fun. If you are interested, we can run a bilingual Karaoke box session! I am looking for a school that can run a long term exchange, not just once. Upon request, I can also allocate some of the online exchange session that I have already been running with a school in Kanagawa so that we can become more familiarised to each other. Please also note that we are NOT looking into hosting your visit. I have experienced this program 3 times in the past.
